OF
BIG COUNTRY ELECTRIC COOPERATIVE, INC.**

ARTICLE 1 MEMBERSHIP

SECTION 1.01. *Eligibility.* Any natural person, firm, association, corporation, business trust, partnership, Federal agency, State or political subdivision thereof, or any body politic (each hereinafter referred to as "person", "applicant", "him" or "his") shall be eligible to become a member of, and at one or more premises owned or directly occupied or used by him, to receive electric service from, Big Country Electric Cooperative, Inc. (hereinafter called the 'Cooperative'). No person shall hold more than one membership in the Cooperative.

SECTION 1.02. *Application for Membership; Renewal of Prior Application.* Application for membership -- wherein the applicant shall agree to purchase electric power and energy from the Cooperative and to be bound by and to comply with all of the other provisions of the Cooperatives Articles of Incorporation and Bylaws, and all rules, regulations, rate schedules and tariffs established pursuant thereto, as all the same then exist or may thereafter be duly adopted or amended (the obligations embraced by such agreement being hereinafter called 'membership obligations') -- shall be made in writing on such form as is provided therefor by the Cooperative. With respect to any particular classification of service for which the Board of Directors shall require it, such application shall be accompanied by a supplemental contract, executed by the applicant on such form as is provided therefor by the Cooperative. The membership application shall be accompanied by the membership fee provided for in Section 1.03 (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), which fee (and such service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction, if any) shall be refunded in the event the application is by Board resolution denied. Any former member of the Cooperative may, by the sole act of paying a new membership fee and any outstanding account plus accrued interest thereon at the Texas legal rate on judgments in effect when such account first became overdue, compounded annually (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), renew and reactivate any prior application for membership to the same effect as though the application had been newly made on the date of such payment.

SECTION 1.03. *Membership Fee; Service Security and Facilities Extension Deposits; Contribution In Aid of Construction.* The membership fee shall be as fixed from time to time by the Board of Directors. The membership fee (together with any service security deposit, service connection deposit or fee, facilities extension deposit, contribution in aid of construction or any combination thereof, if required by the Cooperative) shall entitle the member to one service connection. A service connection deposit or fee, in such amount as shall be prescribed by the Cooperative (together with a service security deposit, a facilities extension deposit or a contribution in aid of construction or any combination thereof, if required by the Cooperative), shall be paid by the member for each additional service connection requested by him.

SECTION 1.04. *Joint Membership.* A husband and wife, by specifically so requesting in writing, may be accepted into joint membership or, if one of them is already a member, may automatically convert such membership into a joint membership. The words "member", "applicant", "person", "his" and "him", as used in these Bylaws, shall include a husband and wife applying for or holding a joint membership, unless otherwise clearly distinguished in the text; and all provisions relating to the rights, powers, terms, conditions, obligations, responsibilities and liabilities of membership shall apply equally, severally and jointly to them. Without limiting the generality of the foregoing -- (a) the presence at a meeting of either or both shall constitute the presence of one member and a joint waiver of notice of the meeting; (b) notice to, or waiver of notice signed by, either or both shall constitute, respectively, a joint notice or waiver of notice; (c) suspension or termination in any manner of either shall constitute, respectively, suspension or termination of the joint membership; (d) either, but not both concurrently, shall be eligible to serve as a director of the Cooperative, but only if both meet the qualifications required therefor; and, (e) neither will be permitted to have any additional service connections except through their one joint membership.

SECTION 1.05. Acceptance into Membership. Upon complying with the requirements set forth in Section 1.02, any applicant shall automatically become a member on the date of his connection for electric service, PROVIDED, that the Board of Directors may by resolution deny an application and refuse to extend service upon its determination that the applicant is not willing or is not able to satisfy and abide by the Cooperative's terms and conditions of membership or that such application should be denied for other good cause; PROVIDED FURTHER, that any person whose application, for sixty (60) days or longer, has been submitted to but not approved by the Board of Directors may, by filing written request therefor with the Cooperative at least thirty (30) days prior to the next meeting of the members, have his application submitted to and approved or disapproved by the vote of the members at such meeting, at which the applicant shall be entitled to be present and be heard.

SECTION 1.06. Purchase of Electric Power and Energy; Power Production by Member; Application of Payments to All Accounts. The Cooperative shall make all reasonable efforts to furnish its members with adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply thereof, and such member, for so long as such premises are owned or directly occupied or used by him, shall purchase from the Cooperative all central station electric power and energy purchased for use on all premises to which electric service has been furnished by the Cooperative pursuant to his membership, unless and except to the extent that the Board of Directors may in writing waive such requirement, and shall pay therefor at the times, and in accordance with the rules, regulations, rate schedules and tariffs (including any monthly minimum amount that may be charged without regard to the amount of electric power and energy actually used) established by the Board of Directors and, if in effect, in accordance with the provisions of any supplemental contract that may have been entered into as provided for in Section 1.02. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which shall be interconnected with Cooperative facilities, shall be subject to appropriate regulations as shall be fixed from time to time by the Cooperative. Each member shall also pay all other amounts owed by him to the Cooperative as and when they become due and payable. When the member has more than one service connection from the Cooperative, any payment by him for service from the Cooperative shall be deemed to be allocated and credited on a pro rata basis to his outstanding accounts for all such service connections, notwithstanding that the Cooperative's actual accounting procedures do not reflect such allocation and proration.

SECTION 1.07. Excess Payments to be Credited as Member-Furnished Capital. All amounts paid for electric service in excess of the cost thereof shall be furnished by members as capital, and each member shall be credited with the capital so furnished as provided in Article IX of these Bylaws.

SECTION 1.08. Wiring of Premises; Responsibility Therefor; Responsibility for Meter Tampering or Bypassing and for Damage to Cooperative Properties; Extent of Cooperative Responsibility; Indemnification. Each member shall cause all premises receiving electric service pursuant to his membership to become and to remain wired in accordance with the specifications of the Texas Fire Insurance Underwriters Association, the National Electric Code, any applicable state code or local government ordinances, and of the Cooperative. Each member shall be responsible for--and shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from any defect in or improper use or maintenance of--such premises and all wiring and apparatuses connected thereto or used thereon. Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereon to place the Cooperative's physical facilities for the furnishing and metering of electric service and shall permit the Cooperative's authorized employees, agents and independent Contractors to have access thereto safely and without interference from hostile dogs or any other hostile source for meter reading, bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities at all reasonable times. As part of the consideration of such service, each member shall be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with impairing the operation of or causing damage to such facilities, and shall use his best efforts to prevent others from so doing. Each member shall also provide such protective devices to his premises, apparatuses or meter base as the Cooperative shall from time to time require in order to protect the Cooperative's physical facilities and their operation and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired their operation or damaged by the member, or by any other person when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting therefrom, including but not limited to the Cooperative's cost of repairing, replacing or relocation of any such facilities and its loss, if

any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules, regulations and tariffs indemnify the member for any overcharges for service that may result from a malfunctioning of its metering equipment or any error occurring in the Cooperative's billing procedures. In no event shall the responsibility of the Cooperative for furnishing electric service extend beyond the point of delivery.

SECTION 1.09. *Member to Grant Easements to Cooperative and to Participate in Required Cooperative Load Management Program.* Each member shall, upon being requested to do so by the Cooperative, execute and deliver to the Cooperative grants of easement or right-of-way over, on and under such lands owned or leased by or mortgaged to the member, and in accordance with such reasonable terms and conditions, as the Cooperative shall require for the furnishing of electric service to him or other members or for the construction, operation, maintenance or relocation of the Cooperative's electric facilities. Each member shall, if requested in writing, participate in any required program and comply with related rates and service rules, regulations and tariffs that may be established by the Cooperative to enhance load management, more efficiently to utilize or conserve electric energy or to conduct load research.

ARTICLE II MEMBERSHIP CERTIFICATES

SECTION 2.01. *Certificate of Membership.* Membership in the Cooperative shall be evidence by a certificate of membership, which shall be in such form and shall contain such provisions as shall be determined by the Board of Directors not contrary to, or inconsistent with, the Cooperative's Articles of Incorporation or by its bylaws. Such certificate shall be signed by the President and by the Secretary, and the seal shall be affixed thereto: PROVIDED, that the Seal and signatures of the President and the Secretary may be imprinted thereon by facsimile.

SECTION 2.02. *Issue of Membership Certificates.* No membership certificate shall be issued for less than the membership fee fixed by the Board of Directors nor until such membership fee, any required service security deposits, facilities extension deposits, service connection fees, or contributions in aid of construction have been fully paid.

SECTION 2.03. *Lost Certificate.* In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefor upon such terms and such indemnity to the Cooperative as the Board of Directors may prescribe.

ARTICLE III MEMBERSHIP SUSPENSION AND TERMINATION

SECTION 3.01. *Suspension; Reinstatement.* Upon his failure, after the expiration of the initial time limit prescribed either in a specific notice to him or in the Cooperative's generally publicized applicable rules, regulations and tariffs, to pay any amounts due the Cooperative or to cease any other noncompliance with his membership obligations, a person's membership shall automatically be suspended; and he shall not during such suspension be entitled to receive electric service from the Cooperative or to cast a vote at any meeting of the members. Payment of all amounts due the Cooperative, including any additional charges required for such reinstatement, and/or cessation of any other noncompliance with his membership obligations within the final time limit provided in such notice or rules, regulations and tariffs shall automatically reinstate the membership, in which event the member shall thereafter be entitled to receive electric service from the Cooperative and to vote at the meetings of its members.

SECTION 3.02. *Termination by Expulsion; Renewed Membership.* Upon failure of a suspended member to be automatically reinstated to membership, as provided in Section 3.01, he may, without further notice, but only after due hearing if such is requested by him, be expelled by resolution of the Board of Directors at any subsequently held regular or special meeting of the Board. Any person so expelled may, by delivering written notice to that effect to the Cooperative at least ten (10) days prior to the next meeting of the members, appeal to and be present and heard at such meeting, which may vote approval of such expulsion or disapproval thereof, in which latter event such person's membership shall be reinstated retroactively to the date of his expulsion. After any finally effective expulsion of a member, he may not again become a member except upon new application therefore duly approved as provided in Section 1.05. The Board of Directors, acting upon principles of general application in such cases, may establish such additional terms and conditions for renewed membership as it determines to be reasonably necessary to assure the applicant's compliance with all his membership obligations.

SECTION 3.03. Termination by Withdrawal or Resignation. A member may withdraw from membership upon such generally applicable conditions as the Board of Directors shall prescribe and upon either (a) ceasing to (or, with the approval of the Board of Directors, resigning his membership in favor of a new applicant who also shall) own or directly occupy or use all premises being furnished electric service pursuant to his membership, or (b) except when the Board of Directors specifically waives such condition, abandoning totally and permanently the use of central station electric service on such premises.

SECTION 3.04. Termination by Death or Cessation of Existence; Continuation of Membership in Remaining or New Partners. Except as provided in Section 3.06, the death of an individual human member shall automatically terminate his membership. The cessation of the legal existence of any other type of member shall automatically terminate such membership: PROVIDED, that upon the dissolution for any reason of a partnership, or upon the death, withdrawal or addition of any individual partner, such membership shall continue to be held by such remaining and/or new partner or partners as continue to own or directly to occupy or use the premises being furnished electric service pursuant to such membership in the same manner and to the same effect as though such membership had never been held by different partners: PROVIDED FURTHER, that neither a withdrawing partner nor his estate shall be released from any debts then due the Cooperative.

SECTION 3.05. Effect of Termination. Upon the termination in any manner of a person's membership, he or his estate, as the case may be, shall be entitled to refund of his membership fee (and to his service security deposit, if any, theretofore paid the Cooperative), less any amounts due the Cooperative; but neither he nor his estate, as the case may be, shall be released from any debts or other obligations then remaining due the Cooperative.

Notwithstanding the suspension or expulsion of a member, as provided for in Section 3.01 and 3.02, such suspension or expulsion shall not, unless the Board of Directors shall expressly so elect, constitute such release of such person from his membership obligations as to entitle him to purchase from any other person any central station electric power and energy for use at the premises to which such service has theretofore been furnished by the Cooperative pursuant to such membership.

SECTION 3.06. Effect of Death, Legal Separation or Divorce upon a Joint Membership. Upon the death of either spouse of a joint membership, such membership shall continue to be held solely by the survivor, in the same manner and to the same effect as though such membership had never been joint: PROVIDED, that the estate of the deceased spouse shall not be released from any debts due to the Cooperative. Upon the legal separation or divorce of the holders of a joint membership, such membership shall continue to be held solely by the one who continues directly to occupy or use the premises covered by such membership in the same manner and to the same effect as though such membership had never been joint: PROVIDED, that the other spouse shall not be released from any debts due the Cooperative.

SECTION 3.07. Board Acknowledgment of Membership Termination; Acceptance of Members Retroactively. Upon the termination of a person's membership for any reason, the Board of Directors, so soon as practicable after such termination is made known to it, shall by appropriate resolution formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing electric service to such person. Upon discovery that the Cooperative has been furnishing electric service to any person other than a member, it shall cease furnishing such service unless such person applies for, and the Board of Directors approves, membership retroactively to the date on which such person first began receiving such service, in which event the Cooperative, to the extent practicable, shall correct its membership and all related records accordingly.

ARTICLE IV RIGHTS AND LIABILITIES OF MEMBER

SECTION 4.01. Property Interest of Members. Upon dissolution after (a) All debts and liabilities of the Cooperative shall have been paid, and b) All capital furnished through patronage shall have been retired as provided in these bylaws, the remaining property and assets of the Cooperative shall be distributed among the members of the Cooperative at the time of the filing of the Certificate of Dissolution, in the proportion which the aggregate patronage of each bears to the total patronage of all members.

SECTION 4.02. *Nonliability for Debts of the Cooperative.* The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

ARTICLE V MEETINGS OF MEMBERS

SECTION 5.01. *Annual Meeting.* For the purposes of transacting necessary business, and passing upon reports covering the previous fiscal year, the annual meeting of the members shall be held at such place in one of the counties in Texas within which the Cooperative services, beginning at such a date, and time as the Board of Directors shall from year to year fix. PROVIDED FURTHER, to the extent authorized by the Board of Directors, and subject to guidelines and procedures adopted by the Board, an annual Member Meeting may be held without a geographic location if the meeting is held through the internet, electronic, or other communications technology in a manner: (1) permitting the Cooperative to verify that each person participating in the meeting is a member; and (2) permitting members the opportunity to read or hear the proceedings substantially concurrently with their occurrence, vote on matters submitted to the members, ask questions, and make comments (a 'Virtual Meeting'). The Board is also authorized to utilize at its discretion a Virtual Meeting with or in place of an in-person meeting which may include a meal limited to a designated number of members and guests who may be required to RSVP before a designated deadline to qualify for in person attendance. It shall be the responsibility of the Board of Directors to make adequate plans and preparations for, and to encourage member attendance at, the annual meeting. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the Cooperative.

SECTION 5.02. *Special Meetings.* A special meeting of the members may be called by the President, the Board of Directors or by any three (3) directors or by petition signed by not less than ten (10) percent of all the members, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided in section 5.03. Such a meeting shall be held at such place in one of the counties in Texas within which the Cooperative serves, or to the extent authorized by the Board, be conducted as a Virtual Meeting as described in Section 5.01 above, on such date, not sooner than forty (40) days after the call for such meeting is made or a petition therefor is filed, and beginning at such hour and on such day of the week as customary for holding the annual meeting.

SECTION 5.03. *Notice of Member Meetings.* Written or printed notice of the place, day and hour of the meeting and, in the case of a special meeting or of an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes of the meeting shall be delivered to each member not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting, either personally or by mail, by or at the direction of the President or the Secretary (and, in the case of a special meeting, at the direction of him or those calling the meeting). Any such notice may be included with member service billings or as an integral part of, or with the Cooperative's monthly newsletter and/or its monthly insert, if any, in *Texas Co-op Power*. No matter the carrying of which, as provided by law, or by the Cooperative's Articles of Incorporation or Bylaws requires the affirmative votes of at least a majority of all the Cooperative's members shall be acted upon at any meeting of the members unless notice of such matter shall have been contained in the notice of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid and postmarked at least ten (10) days prior to the meeting date. In making such computation, the date of the meeting shall not be counted. The incidental and non-intended failure of any member to receive a notice deposited in the mail addressed to the member at his address as shown on the Cooperative's books shall not invalidate any action which may be taken by the members at any such meeting, and the attendance in person of a member at any meeting of the members shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or one or more items of business, on the ground that the meeting shall not have been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall notify the Secretary prior to or at the beginning of the meeting of his objection.

SECTION 5.04. *Quorum.* A quorum for the transaction of all business at all meetings of the members shall be at least 2 percentum (2%) of the total number of members. Such number of persons shall be (i)

SECTION 5.05. Voting. Each member who is not in a status of suspension, as provided for in Section 3.01, shall be entitled to only one vote upon each matter submitted to a vote at any meeting of the members. Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative, prior to or upon registration at each member meeting, of satisfactory evidence entitling the person presenting the same to vote. At all meetings of the members, all questions shall be decided by a majority of the members voting thereon, except as otherwise provided by law or by the Cooperative's Articles of Incorporation or these Bylaws. The Board may authorize mail in voting or digital voting and will adopt rules and guidelines for such alternative voting methods at its discretion to ensure the integrity of voting.

SECTION 5.06. Credentials and Election Committee. The Board of Directors shall, at least ten (10) days before any meeting of the members, appoint a Credentials and Election Committee. The Committee shall consist of an uneven number of members not less than nine (9) who are not members of the Nominating Committee or existing Cooperative employees, agents, officers, directors or known candidates for director, and who are not close relatives (as hereinafter defined) or members of the same household of members of the Nominating Committee or existing Cooperative employees, agents, officers, directors or known candidates for director. The Committee shall elect its own chairman and secretary prior to the member meeting. It shall be the responsibility of the Committee to establish or approve the manner of conducting member registration and any ballot or other voting, to pass upon all questions that may arise with respect to the registration of members in person, to count all ballots or other votes cast in any election or in any other matter, to rule upon the effect of any ballots or other vote irregularly or indecisively marked or cast, to rule upon all other questions that may arise relating to member voting and the election of directors (including but not limited to the validity of petitions of nomination of the qualifications of candidates and the regularity of the nomination and election of directors), and to pass upon any protest or objection filed with respect to any election or to conduct affecting the results of any election. In the exercise of its responsibility, the Committee shall have available to it the advice of the counsel provided by the Cooperative. In the event a protest or objection is filed concerning any election, such protest or objection must be filed during, or within three (3) business days following the adjournment of, the meeting in which the voting is conducted. The Committee shall thereupon be reconvened, upon notice from its chairman, not less than seven (7) days after such protest or objection is filed. The Committee shall hear such evidence as is presented by the protestor(s) or objector(s), who may be heard in person, by counsel, or both, and any opposing evidence; and the Committee, by a vote of a majority of those present and voting, shall, within a reasonable time but not later than thirty (30) days after such hearing, render its decision, the result of which may be to affirm the election, to change the outcome thereof, or to set it aside. The Committee may not affirmatively act on any matter unless a majority of the Committee is present. The Committee's decision (as reflected by a majority of those actually present and voting) on all matters covered by this section shall be final.

SECTION 5.07. Intentionally Omitted.

SECTION 5.08. Order of Business. The order of business at the annual meeting of the members and, insofar as practicable or desirable, at all other meetings of the members shall be essentially as follows: (1) Report of the number of members present in person, virtually, or by submission of an official ballot for the meeting with a vote cast for at least one item on the ballot in order to determine the existence of a quorum; (2) Reading of the notice of the meeting and proof of the due giving thereof, or of the waiver or waivers of notice of the meeting, as the case may be; (3) Reading of unapproved minutes of previous meetings of the members and taking of necessary action thereon; (4) Presentation and consideration of reports of officers, directors and committees; (5) Election of directors; (6) Unfinished business; (7) New business; and (8) Adjournment. Notwithstanding the foregoing, the Board of Directors or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business: PROVIDED, that no business other than adjournment of the meeting to another

time, format, method, and/or place may be transacted until and unless the existence of a quorum is first established.

ARTICLE VI DIRECTORS

Upon the establishment of the fact that any person being considered for, or already holding, a directorship or other position of trust in the Cooperative lacks eligibility under this section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him to be removed therefrom, as the case may be. Nothing contained in the section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this section and in which one or more of the directors have an interest adverse to that of the Cooperative.

SECTION 6.03. Election. If for any reason an election of Directors shall not be held at an annual meeting of the members duly fixed and called pursuant to these Bylaws, such election may be held at an adjournment of such meeting or at a subsequently held special meeting or the next annual meeting of the members. Failure of an election for a given year shall allow incumbents whose directorships would have been voted on to hold over only until the next member meeting at which a quorum is present.

SECTION 6.05. Director Districts. There is hereby created Director District Number One (1), Director District Number Two (2), Director District Number Three (3), Director District Number Four (4), Director District Number Five (5), Director District Number Six (6), and Director District Number Seven (7). The Committee shall consist of members of the Cooperative, being Two (2) members from each of the Director Districts for which a director is to be elected at the meeting. The Board may appoint up to two (2) additional Committee members from the Cooperative service area to serve as at-large Committee members. The Committee shall not include members who are Cooperative employees, agents, officers, directors or known candidates for director, or who are close relatives (as hereinafter defined), or members of the same household of such existing employees, agents, officers, directors or known candidates for director. The Committee shall prepare and post at the principal office of the Cooperative at least twenty (20) days prior to the meeting a list of nominations for directors to be elected, listing separately the nominee(s) for each Director District from or with respect to which a director must, pursuant to this Article, be elected at the meeting. In the election of directors, each member shall be entitled to cast the number of votes (but not cumulatively) which corresponds to the total number of directors to be elected. Each member of the Cooperative shall be entitled to vote for one nominee from or with respect to any particular Director District. Votes cast in violation of the foregoing restriction with respect to one or more Director Districts shall be invalid and shall not be counted with respect to such District or Districts. Notwithstanding the provisions contained in this section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

SECTION 6.08. Removal of Directors by Members. The members of the board may adopt resolutions authorizing the payment of insurance benefits for directors. The attendance of a director at any meeting of the Board shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or of one or more items of business, on the ground that the meeting shall not have been lawfully called or convened. Such notices shall be deemed to be delivered when (i) sent electronically to the e-mail address on file for such director, unless a notice is received that it cannot be delivered to such address; or (ii) personally delivered and signed for by the recipient of such notice.

ARTICLE IX NON-PROFIT OPERATION

SECTION 9.01. *Interest or Dividends on Capital Prohibited.* The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

SECTION 9.02. *Patronage Capital in Connection with Furnishing Electric Energy.* In the furnishing of electric energy the Cooperative's operations shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to his account: PROVIDED, that individual notices of such amounts furnished by each patron shall not be required if the Cooperative notifies all patrons of the aggregate amount of such excess and provides a clear explanation of how each patron may compute and determine for himself and the specific amount of capital so credited to him. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital. All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis, and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. The Board of Directors has authority to retire all or part of such capital credits, in accordance with such standards, rules, methodologies and procedures, in any one or more years or parts of a year, as the Board of Directors in its discretion shall determine is in the best interests of the Corporation. The capital Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's offices.

SECTION 9.03. Margins from Non-Operating Income. All non-operating margins shall, insofar as permitted by law, be used to offset any losses during the current or any prior fiscal year and, to the extent not needed for that purpose, either:

- i. Allocated to its members on a patronage basis and any amount so allocated shall be included as part of the capital to be allocated to the accounts of the various classes of members in an equitable manner as approved by the board, of
- ii. Used to establish and maintain a non-operating margin reserve not assignable prior to dissolution of the cooperative.

SECTION 9.04. Capital Credit Assignment and Retirements to Estates. Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative, unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Directors shall at its discretion have the power at any time upon the death of any patron who was a natural person (or, if so provided for in the preceding paragraph, upon the death of an assignee of the capital credits of a patron, which assignee was a natural person), if the legal representatives of his estate shall request in writing that the capital so credited or assigned, as the case may be, be retired prior to the time such capital would otherwise be retired under provisions of the Bylaws, to retire such capital immediately upon such terms and conditions as the Board of Directors, acting under policies of general application to situations of like kind, and such legal representatives, shall agree upon: PROVIDED, however, that the financial condition of the Cooperative will not be impaired thereby.

The Cooperative, before retiring any capital credited to any patron's account, shall deduct therefrom any amount owing by such patron to the Cooperative, together with interest thereon at the Texas legal rate on judgments in effect when such amount became overdue, compounded annually.

SECTION 9.05. Retirements Concerning Former Members with Uncollectable Accounts. Retirements (or partial retirements) of accounts of former members who have uncollectable accounts owing to the Cooperative may be made upon the authorization of the Board of Directors, by offsetting so much of the capital credit account of such former member, at its full, undiscounted value, as is needed to extinguish the amount owed under the uncollectable account.
