# Minutes of the 2024 Annual Meeting

The 2024 Virtual Annual Meeting of the Membership of Big Country Electric Cooperative and Open House was held on September 24, 2024. Considering the low cost and high rate of participation in last year's director election conducted via mail-in ballot and online vote submission, the BCEC board of directors elected to continue with a virtual meeting for the 2024 Annual Meeting of the Membership of Big Country Electric Cooperative.

Affidavit of Publication attests that the Annual Report, inclusive of the Official Notice of Annual Meeting of Big Country Electric Cooperative, was mailed to the 6,271 members of record of the cooperative on August 30, 2024.

The 2024 Virtual Annual Meeting consisted of an annual report video posted on the cooperative's website, featuring BCEC Board President Steve Moore, GM/CEO Mark McClain, and other BCEC leadership reporting to the membership on activities, concerns, upcoming plans, and the financial status of Big Country Electric Cooperative. Balance Sheet and Statement of Income for the year ending 2022 was presented to the membership, in PDF posted on the cooperative's website and in the Annual Report mailed to each member.

Committee on Nominations was appointed by the Board of Directors. Committee members serving were:

Mr. Shawn McCowen	Mr. Larry Schwarz
Mr. Raford Hargrove	Mr. Greg Stansell
Mr. Ted Cooley	Mr. Frank Garcia

The Committee on Nominations placed in nomination the members named below for the purpose of electing three (3) directors as successors to the directors whose terms expire this annual meeting, and to hold office for the term of 3 years and/or until their successors shall be elected and shall qualify.

Member voting was conducted in advance with three methods of voting available to each eligible member: online, through SmartHub or mail-in ballot. Ballots were included with the Annual Report that was mailed to each member August 30, 2024, and included detailed instructions for

each voting method. Mail-in ballots were to be received by September 20, 2024, and not permitted to be taken to a BCEC office; online and SmartHub voting deadline was 11:00 p.m., September 20, 2024. Election results, certified September 23, 2024, by Survey & Ballot Systems, were as follows, with elected candidates shown in bold:

(i) indicates Incumbent

For Director District 5: Steve Moore (i) 100% Decision

For Director District 6: Danny Helms (i) 100% Decision

For Director District 7: David Beaver (i) 100% Decision

6,289 Eligible Voters

265 Eligible Ballots Cast: 124 paper ballots mailed, 142 submitted online

4.21% Voter Participation Rate exceeded minimum quorum of 2%.

Candidates were notified and results were posted on the cooperative's website September 24, 2024, to accompany the Virtual Annual Meeting reports.

Pursuant to Bylaws Article V, Section 6, a Credentials and Election Committee was appointed prior to the Annual Meeting and would have convened had there been any protest or objection filed. Members were:

Mrs. Renee Dudensing, Mr. Lynn D. Dudensing, Mr. Brodie Calley, Mrs. Tricia Spikes, Mr. Bob Spikes, Mr. Andy Graham, Mrs. Johnna Page, Mr. Justin Martin, Mr. Scott Crenwelge

An energy credit of \$15 was applied to one account for each member who cast an eligible ballot. Door prizes were drawn from the collective names of members who attended one of BCEC's office locations' open house. Open House attendees were given the opportunity to view the Annual Report and ask questions of board members, leadership team members, and visit with employees. Door prize winners were notified the following day, and a list of prizes and winners was posted on the BCEC website.

## People Matter

IN TODAY'S FAST-MOVING WORLD, it's easy to feel like just a number. We see it everywhere—in long customer service waits, in systems that prioritize profits over people and in communities where neighbors feel more distant than ever.

But at Big Country Electric Cooperative, we believe in something different. We believe people still matter.

That belief isn't just a slogan—it's at the heart of who we are and why we exist. Our cooperative was built by people, for people. We don't answer to stockholders. We answer to our members—our neighbors, families and friends. That changes everything.

### Our Families Matter

We're part of this community. We raise our families here. We live alongside the people we serve.

That means we care deeply about the safety, reliability and affordability of the electricity that powers our homes, schools and businesses. When storms come or challenges arise, we respond—not because we have to, but because we want to. That's what families do.

### Our Employees Matter

The people who work at Big Country EC are more than employees—they're the heart of this organization. They bring skill, dedication and integrity to the job every day.

Whether it's a lineworker climbing a pole in the middle of the night or a member service representative patiently walking someone through a billing question, we're proud of the people who make this cooperative what it is. We take care of our team, and they take care of our members.

### Our Members Matter

As a cooperative, we're not here to make a profit from our members—we're here to serve them. Every decision we make is guided by one question: What's best for the people we serve? Whether that means investing in infrastructure, supporting local schools and nonprofits, or simply being a voice our members can trust, we put people first.

We know the world doesn't always work that way. It's easy to lose sight of each other in the noise. But at Big Country EC, we don't cut corners or chase trends. We show up, do what's right, and remember that behind every meter and every mile of line is a person who matters.

This past year brought challenges, yes, but also powerful reminders of how strong and connected we are when we put people first. And that's exactly what we'll keep doing.

Because people still matter.

They always have.

They always will. ■

# Small Change, Big Impact!

Operation Round Up funds help your local community

**SINCE ITS INCEPTION** in late 2014, Big Country Electric Cooperative's Operation Round Up program has empowered our members to give back in a simple yet powerful way. Through this voluntary program, participating members round up their monthly electric bills to the next whole dollar—donating an average of just 50 cents per month. And while that might sound like small change, it adds up to a big impact.

Thanks to members who donate monthly, the program typically returns \$9,500 to \$10,500 each quarter to our communities in the form of grants to local organizations and direct support for individuals and families in need.

In total, more than \$509,523 has been distributed through the program over the past decade—helping fund everything from medical expenses and essential household repairs to community service projects, food banks, volunteer fire departments, school initiatives and more.

Operation Round Up makes it possible to step in during times of crisis and create opportunities for lasting impact—and it all starts with just a few cents.

## How It Works

Applications are available at any BCEC office and can be downloaded from our website, [bigcountry.coop](http://bigcountry.coop). **Grants are available to:**

- ▶ Individuals and families experiencing hardship or facing an urgent need.
- ▶ Local nonprofits, volunteer groups, civic organizations and public entities that support community service, disaster relief or education-related efforts that enhance quality of life in the BCEC service area.

All applications are evaluated by an independent board of volunteers from across our service area. The board meets quarterly to review applications and award grants to eligible recipients.

## Rooted in Cooperative Values

Operation Round Up is one of the many ways we strive to follow the Seven Cooperative Principles, especially the principle of Concern for Community. We're proud to facilitate the program, but it's our members who make the difference. From all of us at Big Country EC: Thank you for helping us keep the spirit of community alive—one penny at a time. ■
